ABOUT SOGCE

The Sabah Oil, Gas & Energy Conference & Exhibition (SOGCE) is Sabah's premier and longest-running industry platform dedicated to advancing the oil, gas and energy sector. Since its inception in 2012, SOGCE has evolved in tandem with industry transformation, State priorities and global energy shifts — from traditional petroleum development to today's emphasis on low-carbon pathways, digitalisation and sustainable growth.

Sabah's oil, gas and energy sector continues to demonstrate a positive and progressive trajectory, underpinned by policy continuity through the Sabah Energy Roadmap and Masterplan 2040 (SE-RAMP 2040). The increasing participation of Sabahan vendors — now accounting for approximately 36% of total oil and gas contract value — together with growing investments in energy infrastructure, downstream development and clean energy initiatives, reflects Sabah's emergence as a competitive and forward-looking energy hub. In this context, SOGCE plays a complementary role by providing a platform where policy direction, industry capability, innovation and investment converge.

In 2026, under the theme **“Fueling the Future: Driving Energy Innovation for Sustainable Growth,”** SOGCE will spotlight the industry's transformation through wider adoption of artificial intelligence, big data analytics, innovative technologies and strategic partnerships. The event reflects the Sabah State Government's steadfast commitment to developing oil and gas as a key revenue driver, while attracting new investments and enabling greater local participation.

SOGCE serves as a dynamic platform connecting policymakers, industry leaders, operators, technology providers, investors and service companies. It offers unparalleled opportunities to:

- Explore cutting-edge technologies and innovations driving operational excellence
- Foster partnerships and collaborations that open doors for local contractors and entrepreneurs
- Engage in meaningful dialogue on energy transition, sustainability and low-carbon solutions

The 13th edition of SOGCE will feature a two-day conference comprising high-impact plenary sessions, parallel tracks and technical papers, held alongside a two-day exhibition showcasing the latest equipment, solutions and services across the energy value chain.

Signature highlights include industry visits, SOGCE Networking Golf, Energy Insights, Talent & Youth programmes, and the Young Professionals Programme by SPE, all designed to inspire, connect and develop the next generation of industry talent.

Beyond knowledge-sharing, SOGCE functions as a practical business platform where companies network, host meetings, form partnerships, sign agreements and explore investment opportunities. Many industry participants organise their own programmes and engagements in conjunction with SOGCE — a testament to the event's relevance, credibility and business value.

More than an event, SOGCE is a catalyst for growth, collaboration and innovation, supporting the Sabah State Government's industrial, entrepreneurship and energy agenda, while shaping the future of the oil, gas and energy industry in Sabah and beyond.

Conference Programme

Fueling the Future: Driving Energy Innovation for Sustainable Growth

Day 1, Thursday, 25 June 2026

Plenary & Strategic Focus

07:15 AM Registration and Morning Coffee

08:15 AM Arrival of Invited Guests: Government Representatives, Captains of the Industries

08:30 AM Arrival of VVIPs: His Excellency Mr. Morecome Mumba, High Commissioner of the Republic of Zambia, YB Brig Gen Datuk Haji Al Hambra Tun Juhar, Deputy Speaker, Sabah State Legislative Assembly.

08:45 AM Arrival of Guest of Honour, The Honourable Datuk Seri Panglima Dr. Joachim Gunsalam, Deputy Chief Minister 1 and Minister of Works and Utilities, Sabah

08:50 AM Welcoming Address by: Dolly Jimayol, CEM, ADK, Organising Chairperson, Director, Business Events & Corporate Affairs, Midas Events Management

09:00 AM Opening Address by: Guest of Honour, The Honourable Datuk Seri Panglima Dr. Joachim Gunsalam, Deputy Chief Minister 1 and Minister Works and Utilities, Sabah

09:20 AM OPENING CEREMONY

Signing Ceremonies

10:00 AM Keynote Address 1: *Navigating Transition & Transformation of the Oil, Gas & Energy Industry*
Datuk Hajah Siti Ayu Haniza Abdul Wahab, General Manager, PETRONAS Sabah and Labuan Regional Office

10:20 AM Keynote Address 2: *The New Energy Leadership Agenda: Resilience, Diversification, Energy Security, AI-enabled Operations, and Capital Allocation in an Era of Volatility*
Uday Vir Singh, Managing Director & Partner, Boston Consulting Group

10:40 AM Keynote Address 3: *Energy Reality - How APAC players can capture emerging energy opportunities*
Ts Syed Saggaf Syed Ahmad, Regional Director, Asia Pacific, Energy Industries Council

11:00 AM Special Address: *Energising Sabah's Next Chapter*
Ir. Ts. Haji Ahmad Jaafar, Deputy Chief Executive Officer/Chief Operating Officer, Sabah Energy Corporation

11:10 AM Networking Coffee Break, VIP Lunch (Sponsored by Sabah Energy Corporation) Exhibition Tour by Guest of Honour

11:30 AM Executive Plenary Session:

Fueling the Future – Navigating Sabah's Integrated Energy & Economic Future

A high-level dialogue on how Sabah will balance oil & gas growth with renewable expansion, grid modernization, and energy security.

Topics include:

- Sabah's evolving energy mix
 - Strategic role of O&G in the transition
 - From Global Integration to Local Impact: Applying Integrated Energy Models for Sabah's Growth
 - Investment landscapes & policy clarity
 - Opportunities in power, utilities & clean energy
- Moderator:** Ts Anwarudin Saidu Mohamed, Chairman, Society of Petroleum Engineers - Kuala Lumpur Section/Executive Director & Chief Technology Officer, Reservoir Link Energy Bhd

Panel Speaker 1: Haji Eruwan Gerry Norsen, Head of Sabah Asset, PETRONAS Carigali Sabah Sdn Bhd

Panel Speaker 2: Datuk Ir. Abdul Nasser bin Abdul Wahid, Chief Executive Officer, Energy Commission of Sabah

Panel Speaker 3: Jerome Saniez, Managing Director & Country Chair, TotalEnergies EP Malaysia

Panel Speaker 4: Datuk Ir. Ts. Mohd Yaakob Hj Jaafar, Chief Executive Officer, Sabah Electricity Board

01:00 PM Industry Insight Session: RM1 Billion in Oil & Gas Financing: Lessons from 3 Successful Case Studies

Speaker: Vincent Soh, Founder & Chief Executive Officer, MoneySave P2P Crowdfunding Malaysia

01:10 PM Networking Lunch

02:00 PM Plenary Session 1: Driving Excellence in Asset Management & Operations

Featured Discussions:

- Greenfield and drilling execution
- Enhanced oil recovery (EOR/IOR)
- Eco-system management
- Brownfield optimisation
- Offshore logistics solutions

Moderator: Mohd Zamri Abdul Ghani, Vice Chairman and Board Member, Energy Dot Com Sdn Bhd

Panel Speaker 1: Conrad Thomas, Sr Project Manager Offshore Brownfield, Shell Malaysia Upstream

Panel Speaker 2: Ismail Omar, Director Asset, Subsurface and Planning, TotalEnergies EP Malaysia

Panel Speaker 3: Shahrul Nizar, Senior Vice President, Strategic Marketing, Velesto Energy Berhad

Panel Speaker 4: Ahmad Fazmee Baharuden, Head of Sabah Assets, Hibiscus Petroleum Berhad

03:45 PM Networking Coffee Break

04:00 PM Panel Session 2: Building an Energy-Skilled Sabah: Talent, TVET, Certification & Workforce Transition

Focus Areas:

- Skills gap analysis under SE-RAMP 2040
- TVET-industry alignment
- Attracting youth into energy careers
- Preparing Sabahans for clean energy & digital roles
- Certification (API, IWCF, electrical, solar, HSE)

Moderator: Ts. Faiz Latip, Founder & Chief Executive Officer, SEMARAK Training

Panel Speaker 1: Nazliyah Mohd Ali, Vice President, Sector Development, MyMAHIR, TalentCorp Malaysia

Panel Speaker 2: Ahmad Munir Akram Ahmad Faiz, Head of Human Capital Investment, PETRONAS

Panel Speaker 3: Noor Azura Hasran, Head of OGSE Talent & Bumiputera Unit, Malaysia Petroleum Resources Corporation

Panel Speaker 4: Prof Dato' Sr. Dr. Azimuddin Bahari, Vice Chancellor, North Borneo University

05:30 PM SOGCE Networking Cocktail, Promenade, Level 2

(All Speakers/Moderators/Panelists/Special Guests/Conference Delegates are invited)

Conference Programme

Fueling the Future: Driving Energy Innovation for Sustainable Growth

Day 2 – Friday, 26 June 2026

Technical, Sustainability & Future Talent

07:30 AM Morning Coffee & Networking

09:00 AM Panel Session 3:

Local Vendor Empowerment: Strengthening the Sabahan Energy Supply Chain

Triggered by the recent milestone: Sabahan vendors now command 36% of O&G contract share.

Session Goals:

- Capabilities needed to increase participation
- Procurement readiness
- Local-content standards
- JV & partnership models
- Technology adoption to stay competitive

Moderator: Ts. Mohammad Nur Ikhwan Sunoto, Executive Committee, Malaysian Oil, Gas & Energy Services Council

Panel Speaker 1: Masnahwi Nawe, Chief Executive Officer, Nawie Oilfield Services Sdn Bhd

Panel Speaker 2: Sharki S. Hussin, Chief Executive Officer, Puncak Kinabalu Oil & Gas Sdn Bhd

Panel Speaker 3: Is. Omar Suhaimi Abu Hassan, FCILT, Business Advisor, Unsur Hebat Sdn Bhd

10:30 AM Networking Coffee Break & Exhibition Visit

11:00 AM Crystal Ball: Driving Energy Innovation through Technology

- Impact of AI adoption on the energy sector's efficiency and overall profitability/growth
- Impact on talents

Moderator: Sharmilee Sagadavin, CETCO Energy Services

Panel Speaker 1: Haji Fadhlan Nik Abdul Aziz, Head Business Development, Technology Digital Commercialisation, PETRONAS

Panel Speaker 2: Priscilla Ujang, MTAC & Engineering Manager, Sabah Deepwater, Shell Malaysia Upstream

Panel Speaker 3: Ts. Izwan Adnan, Vice President - Malaysian Business Council - UAE Chief EOR, Strategy & Commercial, Energy Dot Com Sdn Bhd

Panel Speaker 4: Dr Madhu Krishna Menon, Principal Engineer, Rockfield Technologies Australia Pty Ltd

12:30 PM Networking Lunch

02:00 PM Panel Session 4:

Industrial Development & Investment Opportunities in Sabah's O&G & Clean Energy Sectors

Key Themes:

- Investment pipelines in LNG, petrochemicals & downstream
- Opportunities in RE projects
- Sabah's industrial parks
- ESG & green financing
- Blue economy

Moderator: Ts Daniel Doughty FCILT, APR, Industry Strategist, President, Labuan Chamber of Commerce & Industry, Chairman, CILT Malaysia Sabah Section

Panel Speaker 1: Dr Firdausi Suffian, Associate Professor, Universiti Teknologi Mara (UiTM), Sabah

Panel Speaker 2: Vincent Soh, Founder & Chief Executive Officer, MoneySave P2P Crowdfunding, Malaysia

02:45 PM Networking Coffee Break

03:05 PM Special Industry Dialogue:

Government-Industry - Academia Collaboration Roundtable: Aligning Policy, Industry Needs & Talent Pipelines to Accelerate Sabah's Energy Ambitions Toward 2040

A powerful platform for aligning policy, industry needs, human capital goals & local content aspirations.

Moderator: Ts. Sharifah Zaida Nurlisha Syed Ibrahim, Chief Executive Officer, MMC Oil & Gas Engineering Sdn Bhd

Panel Speaker 1: Mohammad Zaid Bin Yusof, Chief Assistant Secretary, State Home Affairs & Research Office, Chief Minister's Department, Sabah

Panel Speaker 2: Ir Firouz Asnan, President, Universiti Teknologi PETRONAS

Panel Speaker 3: Zahris Sham Abu Musa, President, Malaysian Oil, Gas & Energy Services Council

Panel Speaker 4: Khalisah Sharifah, Director, Fragomen Malaysia

Panel Speaker 5: Ts. Tung Chee Kuan, KMN, PKT, President, Technological Association of Malaysia

04:45 PM End of Conference

- Knowledge Hub – Where Ideas Power Tomorrow - Integrated into Day 1 & Day 2
- Future Leader Hub - Talent & Youth Initiatives - Integrated into Day 1 & Day 2
- Young Professionals Programme – integrated into Day 1 & Day 2
- SOGCE Networking Golf – 27 June 2026 (Post - conference)
