JOIN SOGCE 2023

Join as Exhibitor, Conference Delegate or Visitor

It is our great pleasure to invite you and your colleagues to the 10th Sabah Oil, Gas & Energy Conference & Exhibition (SOGCE) 2023, with the theme, "Energy Security and Sustainability in Oil, Gas & Energy Industry in Sabah".

The 10th SOGCE is organised by Midas Events Management (MEM) (wholly-owned by Falconet Resources Sdn Bhd), an Award Winner of APAC Insider South-East-Asia Business Awards 2021, as the "Best Corporate Events Management Company - East Malaysia". and also an Award Winner of the Corporate LiveWire Global Awards 2021/2022 in the category of "Corporate Events Management Specialists of the year"

The 10th SOGCE comprises of 2-Day Conference which will be held on 8 & 9 June 2023, at the Sipadan Hall 1, Level 4, Sabah International Convention Centre (SICC), Kota Kinabalu, Sabah, Malaysia and also 2-Day Exhibition that will run concurrently with the conference, at the Kinabatangan Hall 1, Level 2, SICC, Kota Kinabalu, Sabah, Malaysia.

The discovery of deep oilfields off the coast of Sabah, the setting up of the Sabah Oil and Gas Terminal in Kimanis and the Sipitang Oil and Gas Industrial Park (SOGIP) are testament of an increase set up of oil, gas & energy companies in Sabah which offers job opportunities for the local Sabahans and also opens up more collaborations and business opportunities for Sabah local contractors in the fields of oil, gas & energy, which help spur the growth of this industry.

The Sabah state government emphasised therefore that SOGIP be developed into its full potential as a premier petrochemical gas and petroleum downstream activity hub in this region aside from creating high quality jobs for the people.

SOGCE, the only oil, gas & energy conference and exhibition continues to play a vital role in providing the right platform for all experts in the oil & gas industry, technologists, academicians, industry players, policy makers to meet and engage in complex and pivotal discussions aimed to propel and sustain the future of Sabah's oil, gas & energy industry with emphasis on Energy Security and Sustainability in Oil, Gas & Energy Industry in Sabah. SOGCE is also created to assist and complement the state government in promoting the Oil, Gas & Energy Industry in Sabah.

It also spurs collaborations, and partnerships for mutual benefits and aims to attract international and domestic oil and gas executives from various oil, gas & energy companies local and international.

The 10th SOGCE comprises conference, plenary sessions and a conversation with a Special Guest from the oil & gas company, and an exhibition that will showcase latest equipment, technology & solutions to demonstrate competitive advantages and competencies that include international and regional energy companies, service providers, and oil, gas & energy companies.

MEM will be hosting a Networking Golf which will be organised by the Malaysian Oil, Gas & Energy Services Council (MOGSC) to be held on 10 June 2023 at the Sutera Harbour Golf & Country Club, Kota Kinabalu, Sabah, Malaysia, in conjunction with the 10th SOGCE.
